Still Bombarding Kimberley.
London, Jan. 30.—The Times has the
following hellograph message via
Modder river from Kimberley dated
January 26: "The bombardment continues. Professional Contractions of the town rather
than the fortifications. Between midtight and 4 p. m. yesterday 13: shells
were fired. They seem to have been of
Transvani mannfacture, not burstling
widely. One child was killed and four
people were injured."

AMERICANS SHOT.

Washington, Jan. 30.—The secretary of state is in receipt of a telegram from United States Consul Kindrick at Juares, Mex., reporting that six Americans have been shot. Their names are: Don Cusack, Jack Eldridge, George Lunt, Charles Burns, Low Webster and Henry Williams. It is said that they were shot by order of Gen. Torras, near Guaymas, on the ground that they were found with Yaquis Indians.

The consul has not yet been able to confirm this report but the

Yaquis Indians.

The consult has not yet been able to confirm this report but the secretary of state has suitably instructed our ambassador in relation to the alleged shooting, and has also instructed Cousel Kindrick to secertain and report to the nmbassador all particulars.

to the ambassador all particulars. Expedition Strike Stited:
Paris, Jan. 30.—The strike of the enprenters engaged on the exposition buildings came to an end in consequence of a decision by the arbitration committee, composed of representatives of the employes and the work-trives of the employes and the work-trives of the employes and the work-trives of ten entities per hour for work on buildings 35 metres or more in height was recognized as a just demand, such work being considered

BOILERS LET GO.

Pally a Dones Others.

Pittsburgh, Pa., Jan. 30.—The steel department of Phillips, Nimick & Co.'a mill on West Carson street was committed to the control of the control of the property of four large boilers.

All the injured men were quickly removed from the ruins. Five were multitated aimost beyond recognition and one or two more denths may result. The injured were taken to a temporary hospital hastily provided to relieve their suffering. A rescuing party then went to work searching the wrecking which it is supposed, entombs others of the workmen.

Following is the list of the most serious cassasities:

ious casusities:
Simon Holland, fireman, died at the iomospathic hospital.
Daniel Noonan, badly cut and

W. T. Cook.
Peter lynes.
The explosion was one of the most terriffe that ever occurred in a Pittsburgh mill. The roof of the boiler room was completely litted from the building, and the flying iron and setel and pertines of the masonry were thrown from the foundations. The men were exameled to the ground on the spot where they were attending to the rolls, and those beside the bolicra were sended by the escaping steam. The bodies of the men were so burned and hegrimed that they were scarcely recognizable.
The cause of the explosion it not known.

consul's purported remarks so serions that they ought to be investigated
by the government. But at the
same time he deprended any nttack
upon freat Britain, with the people
ple ought not only to live in peace,
but as loving and devoted friends.
Mr. Lodge (rep. Mass.) sharply arraigned the British consul for he utterances against a Cnited States seritranecs against a Cnited States serito be passed.
Mr. Tillman (dem., S. C.) delivered
Mr. Tillman (dem., S. C.) delivered

terances against a tarted states activa-ator, and believed it ought into lightly to be passed.

Mr. Tillman (dem., S. C.) delivered a forceful and qullet characteristic speech on the Philippine question, in which he maintained that this gen-terment ought to extend the membels, the United States guarding them against the aggression of other na-tions.

Miss Mand Conn Arrives.

New York, Jan. 30.—Miss Maud Con, the Irish Joan of Are, urrived on the French line steamer La Normandie from Harve. Miss Conne could say but little about her fature movements in this country, beyond the fact that also would stay a month and then harry lands to Ireland, as well address several meetings in the interest of the Boers.

Placemen Adrift on Ice Ploc.
Marinette, Wis., Jan. 30.—81x fishermen were carried out on the Ice just
north of Menoulinec. When last seen
they were six miles out and drifting
toward the lake rapidly. Prospects
of rescuing the unfortunate men are
small.

Heavy Saowatorms in France.
Paris, Jan. 30.—Heavy snowstorms
prevailed throughout France, especially on the north and west coasts,
where numbers of small wrecks have
occurred.

Samon Treaty Stands Ratified. Washington, Jan. 30.—The senate kecutive session decided by a vote to 38 not to reconsider the vote

Miners Demand An Advance of Twe-ty Cents Per Ton On a Run of Mine Basis.

nts Per Ton, the Servens Remnis the Same as They Are at Present.

Indianapolis, Ind., Jun. 39.—The German House hall, in which the Joint care and the little of the series of the little of the li

sion.

President Mitcheli, of the Mine Workers, was the first speaker, and said during the nest year the said.

matter was then opened for discussive discussive for the Mine Workers, was the first speaker, and aid during the past year the prize of coal had been higher than for several years while the coat of living to the universe was also higher without an advance in wages to meet it. Underwine was also higher without an advance in wages to meet it. Underwine was also higher without an advance in wages to meet it. Underwine was also higher without an advance in was followed by Mr. Robbins, who answered by anying 80 or 30 per cent. of the coal mixed was contracted with the miners had been reached and with the miners had been reached and as a consequence the mine owners profited nothing by the advance in the market. He said that a run of mine basis would be suicidid to the international way with the miners had been reached and to be carefully mined because it went to the great lakes and had to be handled several times in transit, bence must be gotten out of the mines in the best begotten out of the mines in the best control of the mines and the mines of the mines

miners' executive board from the state of low, replied that the facts should not be lost sight of in figuring this neerage. The miners' wages had gone lower during the panic than those of any other craft. He outlined the attitude of the miners, and said they were willing to discuss the mut-ter dispassionately and arrive at a settlement.

the attitude of the mastrice they were willing to discuss the matter between welling to discuss the matter disposal control of the control of

Prinspects Are That There Will e Very Little Legislation in Elther the Scuate or House.

Either the Senate or House.

Washington, Jan. 29.—Senators Illacon and Tilliann have given notice of
speeches during the present week
upon the Philippine question, but beyoud these notices no indication has
been given of the farther coarse of
events in the senate during the week.
The currency bill continues to hold
the right of way, and it is not improbable that it will be made the sulject of more or loss speech-unking,
it is also quite certain that thuring
it is also quite certain that thuring

the content of elective offices in the senate, and thus in accordance with the decident of the republican cancers of last week. Mr lenaret will be installed as secretary and Mr. Ransdell as sergeoart-at-arms Senator Jones, of Arkansas, will continue, in exceutive sension, this effort to secure reconsideration of the Sa moan treaty, but this motion will be resisted by the republicans. There in a tack understanding that the Qaan contest will not be taken up until after the disposition of the currency bill.

KILLED WIFE AND CHILDREN

Cincianati, Jun. 29.—A tragedy, hor rible in all its details, was enacted sauday morning on the third floor of a tenement house at 212 Magnolis street. Charles Barturfi, a deacaste unan, killed his two little children ann beat his wife so badly with a heavy glass cake stand that she died a few hours later. Not centent with his terrible decein the maniac trible device the maniac trible down to the maniac trible down to the maniac trible down to the maniac trible down the bodies of

Not content with his terrible deed the maniac tried to burn the bodies of his victims. In order to accomplish the act of cremation the maniac made a pyre of the furniture in the dingy apartment. The interference of neighbors and the police only prevented the murderer from burning the horribly mutilated bodies of his victims.

bly mutilated bodies of his victims.

Promisent 51. Lonis Man Dead.

New York, Jan. 22.—James II. Britton, former mayor of 81. Louis, and for many years one of the leading bankers of the west, is dead at Archive. A. of the Missouri legislature in 1882-54. Mr. Britton was president of the board of directors under whose supervision the bridge connecting 81. Louis with East St. Louis was built. He was also president of the National Bank of Missouri. Un: Britton retired from business 13 years ago.
